### Membership Dues 2009

As much as we would like to keep sending out newsletters to everyone, if your dues aren't paid this month your name will be removed from the list. Thanks to everyone who has supplied an e-mail address, it helps us to keep our costs down. If you requested to have your newsletter via e-mail but have not received it yet send me an e-mail, I had problems reading some of the address. Those that have paid their dues stop by the booth to pick up your pin and letter.
