Upcoming Events

The Booster Club has been busy during the off season making plans for the 2009 Season. There will be more information to follow as the time gets closer but in future Issues:

Meet the Chiefs – We're looking forward to joining players, coaches and staff for dinner when they arrive in Peoria from Spring Training. We will be sure to let you know when that will be.

Tub set-up - We will need your help in getting the Tubs ready for the players coming into town. By March we will have a date set – the more the merrier.

Bus trips are being planned.
