# Membership Applications for 2010 Season

We have included the membership application for the 2010 season. The dues have remained unchanged over the past several seasons. You will see that we have added a line for additional donations. The donations will help offset the cost of player's provisions.

This includes, but is not limited to: linens, dishes and housewares.

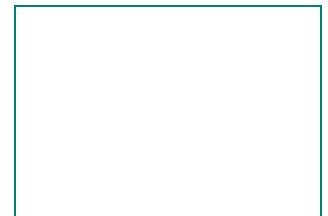

in designing a logo to be used by the booster club. Our goal is to have a shirt designed for the 2010 season and for years to come. The shirts will be available for purchase and orders will be taken later in the season. We will be collecting your ideas from now until the May 2010 general membership meeting when we will hold the final vote for the best logo.

The winner will get a free shirt!!

Turn in your ideas at the booth during or e-mail me, Pat Marliere.
